# RIVERSIDE NURSERY

## Supplement to Catalog B.

SPOKANE, WASHINGTON

### PLEASE READ CAREFULLY BEFORE ORDERING.

The prices in this Supplement take the place of prices in Catalog B on such varieties as are mentioned herein.

### NEW AND ADDITIONAL VARIETIES

We have added to our stock many new and rare kinds of shrubs and trees. Also many new hardy perennials that are very beautiful, and some of them are very rare.

**PEONIES**—We are now prepared to supply a fine collection of the finest and rarest peonies in cultivation.

**IRISES**—The rainbow flower. The flower of the artists and poets. We are now making a specialty of this wonderful class of plants. Nowhere in the floral world can there be found such a large number of colors and blendings, many of them exceedingly beautiful and fairly rivaling the orchids. All are handsome and perfectly hardy and of easy culture, except a few kinds, which are not generally offered for sale. They should not be planted in wet ground; but most of them do best in ordinary moist soil. They will even succeed in ground so poor and dry where no other flower can be grown.

See our list of varieties further on in this Supplement, which we now offer. Next year we will be able to supply about three hundred kinds.

### LARGE TREES.

For many years we have been growing large and shapely specimens of many kinds of deciduous and evergreen trees and shrubs, viz.: Maples, Oaks, Elms, Birch, Locust, Horsechestnuts, Spruces, Firs, Arborvitae, etc. With our system of growing and digging, they generally succeed well. Prices on application.

### Revised Prices of Fruit and Other Stock

#### APPLES

	Each	Per 100
2 and 3 year, 5 to 6 ft.....	\$ .25	\$20.00

# NEW VARIETIES OF SHRUBS AND PLANTS NOT LISTED IN OUR CATALOG

## SHRUBS

**BUDDLEIA**—A fine new shrub with lilac like flowers from mid summer to autumn; very desirable.

Each .....\$ .50

**COLONNEASTER**—An evergreen shrub with red berries in winter.

Each .....50c to \$1.00

**DEUTZIA GRACILIS**—A dwarf shrub, of compact growth, and pretty little white flowers in May. Fine for borders.

Each .....\$ .50

**DOGWOOD VARIEGATED**—A bushy shrub with yellow and green variegated leaves often tinged with red.

Each .....50c to \$1.00

**ELDER, RED-BERRIED**—Loaded with large clusters of bright red berries the latter part of summer.

2 ft., each.....\$ .35

3 ft., each......50

**FILBERTS**—We strongly recommend the planting of these useful shrublike trees. They succeed well here, and bear an abundance of fine nuts, and come to bearing in a few years.

2 to 3 ft., each.....\$ .35

3 to 4 ft., each......50

5 to 6 ft., each..... 1.00

**HONEYSUCKLE**—Bush form. **Red berried.** A very hardy shrub, loaded all summer with an abundance of bright red berries, beautiful all summer.

2 ft., each.....\$ .35

3 to 4 ft., each......50

**JAPAN BARBERRY**—Dwarf compact shrubs; very valuable for borders. Glorious in autumn and winter with their bright scarlet berries, and richly colored foliage.

15 to 18 in., each.....\$ .25

2 ft., each.....35c to .50

**MATRIMONY VINE**—A strong growing vinelike shrub with tiny blue flowers, and red berries. Fine for covering unsightly objects.

Each .....\$ .50

**MAHONIA (OREGON GRAPE)**—A native shrub, and one of the best for decorative planting. Our stock is fine and bushy, far superior to the wild ones.

1 ft., each.....\$ .25

1½ ft., each.....35c to .50

**OAK**—We strongly recommend the bush form of Scarlet Oak for shrubbery borders on account of their blood red foliage in autumn.

**PRIVET (CALIFORNIA)**—We have this most beautiful Privet, but hesitate to recommend it, for it sometimes winterkills.

**PRIVET AMURENS**—One of the best in cultivation. Naturally very compact and symmetrical. Prices same as Eng. Privet.

**PRIVET, IBOTA**—This is also a splendid Privet and should be used extensively.

2 ft., each.....\$ .35

3 ft., each......50

**RHODOLYPUS KERRIOIDES**—Handsome foliage and large white flowers in May, followed by shiny black berries.

2 to 3 ft., each.....\$ .35

3 to 4 ft., each......50

**SIBERIAN BROON**—A low spreading shrub with pretty purple flowers in May.

1½ ft., each.....\$ .35

## SPIREA

The Spireas offer a great variety to the planter, and are among the best shrubs for shrubbery borders. We have an extensive stock and many kinds.

**SPIREA ATROSANGUINEA**—Beautiful blood red foliage and pink flowers. It should be in every planting. Should be cut down severely every year.

2 to 3 ft., each.....\$ .50

3 to 4 ft., each......75

**SPIREA, ANTHONY WATERER**—Dwarf, with red flowers late in summer.

2 ft., each.....\$ .50

**SPIREA DOUGLASI**—Deep rose colored flowers in August.

2 to 3 ft., each.....\$ .50

**SPIREA NINEBARK**—Strong growing with white flowers.

3 to 4 ft., each.....\$ .50

**SPIREA BALLARDI**—Pink flowers all summer.

3 to 4 ft., each.....\$0.50

**SPIREA MULTIFLORA**—Dwarf and compact, loaded with fine white flowers very early in the spring.

2 ft., each.....\$0.50

**SPIREA THUNBERGI**—One of the most beautiful shrubs in cultivation. Handsome plume-like foliage, which colors red in autumn. Pretty white flowers in May.

1 ft., each.....\$ .35

2 ft., each......50

**SYRINGA AVALANCHE**—A superior shrub gorgeously loaded with fine white flowers in May.

3 to 4 ft., each.....\$ .50

TAMARIX HISPIDA—Pretty feathery pink flowers in September.

3 ft., each.....\$ .50

TAMARIX ODESSANA — Plumy pink flowers all summer.

3 ft., each.....\$ .50

VIBURNUM DEUTATUM — Creamy white flowers, and reddish foliage in autumn.

2 to 3 ft., each.....\$ .35

VIBURNUM MOLLE — White flowers, and beautiful autumn foliage.

2 to 3 ft., each.....\$ .35

VIBURNUM LENTAGO — Fine white flowers and blue-black fruit.

2 to 3 ft., each.....\$ .35

WEIGELA (EVA RATHKE)—Beautiful dark carmine. Red flowers all summer.

2 ft., each.....\$ .50

3 ft., each.....\$ .75
